

Support for SB 375 in the Monterey Bay Area

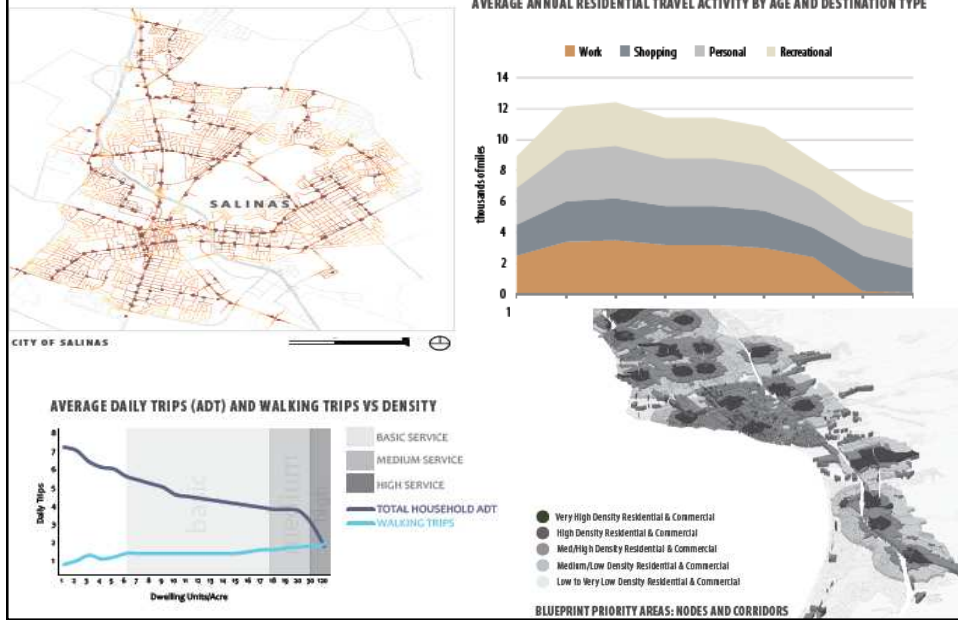

- Supportive atmosphere, consistent with participation in Blueprint
 - Strong awareness that local resources are utterly insufficient to make major changes
 - Expectations about how aggressive SCS are constrained by trends and forces outside of regional control

- Commute patterns
- Demographic trends
- Transit share of all trips (~1%)

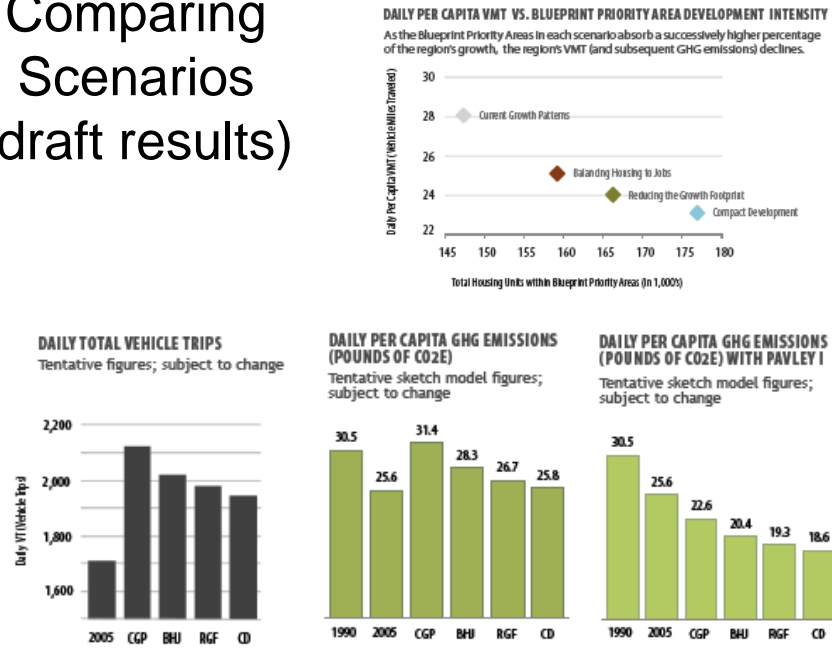

INCREASE IN POPULATION 65 YRS +
MONTEREY BAY AREA, 2005-2035
